

Our Story & Passion

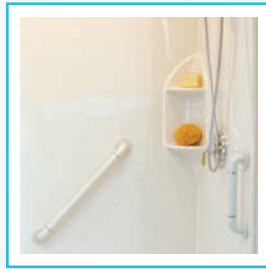

Enjoy the confidence of knowing that you chose the best. When you choose Bath Creations, you'll never have to worry about the quality and durability of your new shower or the workmanship of the installation because we warrant both. We never change the price, we never surprise you with unexpected, unauthorized add-on charges so commonly found in the industry. Because we are family owned, we take pride in our products and skilled craftsman and we put you first. Owned and operated by Mike & Tracy Roberts who understand the important balance of price, quality and customer service. Mike & Tracy work directly with you to provide you the very best value in bathroom renovation – making the experience pleasant, easy and affordable. Call Mike or Tracy today.

Bath Creations

Enjoy your independence

Walk-in showers are perfect for anyone who prefers the safety, ease of use and the extra space of a large shower. It's ideal for those who find it difficult and risky to climb over the traditional tub side. Walk-in showers are handicap accessible, easy to clean, comfortable and can be accessorized with several safety features of your choice. Changing your bathtub to a shower can be the single most important step to improving bathroom safety and comfort.

"We love our new Bath Creations EasyCare Shower System. No more scary step over the edge of the tub. Your installers were great. Thank you!" John & Helen Hornsby ~ Tipp City, Ohio

Why Choose Bath Creations

Discover how easy and affordable converting to a new walk-in shower can be. You'll be amazed and thrilled when you discover just how easy our exclusive EasyCare Shower System from Bath Creations is to clean with 100% nonporous acrylic so there is nowhere for mold, dirt and germs to hide. With the addition of a chair-height seat, handrails, showering wand, and single handle scold proof plumbing valve, you can shower in comfort and dignity. Our friendly staff will help you design a walk-in shower to fit your needs and wants. You'll never be stranded without your bathroom for weeks or months because Bath Creation's skilled staff can usually update your shower in just one to two days. You'll love it.

Our Walk-in Showers are:
